Monique's stunning Prairie Stitches pattern is now available on our website. This quilt was a huge hit at Market. Monique knew it would be equally gorgeous in her Olde World Style line as well - and, as always, she was right!

Thanks to Kim and Susan of Prairie Stitches for the beginnings of this great pattern.

If you want to make yours in the Olde World Style fabrics, just contact us to get your name on the list for when the fabric comes in later
